

357H.9 Incremental property taxes.

The board of trustees shall provide by resolution that taxes levied on the taxable property in a rural improvement zone each year by or for the benefit of the state, city, county, school district, or other taxing district after the effective date of the resolution shall be divided as provided in section 403.19, subsections 1 and 2, in the same manner as if the taxable property in the rural improvement zone was taxable property in an urban renewal area and the resolution was an ordinance within the meaning of those subsections. The taxes received by the board of trustees shall be allocated to, and when collected be paid into, a special fund and may be irrevocably pledged by the trustees to pay the principal of and interest on the certificates, contracts, or other obligations approved by the board of trustees to finance or refinance, in whole or in part, an improvement project. As used in this section, “taxes” includes, but is not limited to, all levies on an ad valorem basis upon land or real property located in the rural improvement zone.
